## **Decision Paper: Endorsement of the Annual Results Report 2020**

The Annual Results Report is Education Cannot Wait's main accountability instrument for both donors and the public to measure the results achieved and the progress made both in country and as a fund, in line with ECW's strategic objectives.

ECW's Annual Results Report 2020 was shared with the Executive Committee in June 2021 for input. Feedback was subsequently taken into account ahead of the Annual Results Report' finalization.

The September HLSG meeting presents an opportunity for the HLSG to witness ECW's progress since 2018.

ECW is therefore seeking the HLSG's endorsement of the Annual Results Report 2020.
